

Institute of Genetic Engineering

Affiliated to Maulana Abul Kalam Azad University of Technology (MAKAUT), West Bengal.

Admission 2018

The institute offers admission to the following UG and PG programs:

UG Courses (Duration: 3 years)

- B. Sc in Biotechnology
- B. Sc in Genetics
- B. Sc in Microbiology
- B. Sc in Molecular Biology
- BCA (Bachelor of Computer Application)

PG Courses (Duration: 2 years)

- M. Sc in Biotechnology
- M. Sc in Genetics
- M. Sc in Microbiology

Only candidates with the relevant qualification can apply/register for the above mentioned programs.

To register for admission, candidate first download the **Application Form** from our website (www.ige-india.com). After furnishing the Application Form, the candidate needs to send us the **Admission Form** along with required **Processing Fees** (as Demand Draft) on or before the last date.

Admission to the above mentioned programs will be done on the basis of eligibility criteria of Maulana Abul Kalam Azad University of Technology (MAKAUT) either as **DIRECT by the institute** or through the **Common Entrance Test (CET)** which will be conducted by MAKAUT for the academic year 2018 – 19.

MAKAUT has recently decided to hold **Common Entrance Test (CET)** of the intending candidates for admission in different courses of **B. Sc** and **M. Sc** & other Courses also at affiliated Institutes/colleges during the session 2018 – 19.

It was also decided that the Institutes/Colleges affiliated to MAKAUT are authorized to admit candidates directly @50 percent of the intake capacity of the respective Institutes/Colleges.

Therefore this Institute is inviting applications from intending candidates of **BSc** and **MSc** who have already passed **(10+2)** or **B. Sc** examinations previously or will appear at the said examinations this year.
